

August 1, 2019

The 2019 Lions Club Fall Classic Car Show and Swap Meet will once again be a two-day event at the Grundy County Fairgrounds. The first day, Saturday, Oct. 12, 2019, will be exclusively a swap meet and car corral. Sunday October 13, 2019 will be the classic car show including a continuation of the swap meet and car corral. We invite you to participate in our event for both days. As it was last year, the cost for each 20'X20' space will be \$25.00, if pre-registered by September 20, 2019. The one-time \$25.00 payment will secure your spot for both days. There is no additional charge. The space cost is for the entire show, not per day. After September 20, 2019 each 20'X20' space will be \$50.00.

We will have three swap areas for this year's show, which will increase the number of swap spaces to over 800. Two of the swap areas will be outside the fairgrounds gate on grass, and one swap area will be inside the fairgrounds gate on gravel, which will also include indoor swap spaces in a commercial building.

Outside Swap Area

The largest swap area will be in the grass between the center and south entrances on the south section of the fairgrounds, bordered on the west by IL RT 47 and the Show Car Area on the north. This area is called the OUTSIDE SWAP. There will be approximately 460 spaces in this area.

Additional Outside Swap

The second swap area will be in the grass between the center and north exit on the north section of the fairgrounds, bordered on the west by the Show Car Area and on the north by the Car Corral. This area is called the ADDITIONAL OUTSIDE SWAP. There will be approximately 220 spaces in this area.

Inside Swap Area

The third swap area is in the gravel area inside the main gate of fairgrounds itself directly to the south of the speedway. This is called the INSIDE SWAP. There will be approximately 120 spaces in this area.

Indoor Swap Availability

In addition, the INSIDE SWAP has the availability of indoor spaces in the commercial building, located just inside the main gate of the fairgrounds. These spaces will be sold on a first come first served basis. The cost for each 9'X11' indoor space will be \$50.00. After September 20, 2019 each 9'X11' space will be \$75.00. Each of the indoor spaces has the capacity for electrical power. Use of the electrical power may require an additional fee paid to the fairgrounds directly. There will be approximately 30 spaces available within the commercial building.

The swap area sold out last year, and has sold out frequently in the past. Last year's swappers are guaranteed space if pre-registered by the September 20, 2019 deadline. If you wish to have more space, or have a special circumstance (end space, etc.), please make sure to write your request on the back of your swap registration form, and submit it with payment by the September 20, 2019 pre-registration deadline to maximize availability and avoid the increased costs of spaces after the deadline.

Confirmation and entry cards will be mailed out to each participant after the September 20, 2019 pre-registration deadline. Please note that checks and money orders used as payment for swap spaces will not be cashed until your confirmation and entry cards have been mailed to you after September 20, 2019.

(Over)

If you are paying for space for other people, please list each name on the pre-registration form. This will speed up the registration process. All cards will be sent to the person making the reservation. The person making the reservation will be responsible for getting the cards to the other participants.

Please display an entry card on the dashboard, front windshield, or visor of your vehicle when entering, or at anytime you are on the fairgrounds. This will expedite getting to your swap space and serve as authorization to be in the swap area. In order to maximize the space available, we are asking that there not be more than one vehicle per space. If you have more than one vehicle, please park the additional vehicle(s) in the Vendor Parking Area located in the racetrack pit area at the northeast corner of the fairgrounds property.

I am enclosing a pre-registration form, fairgrounds map, and directions for your use.

Swap vendor set up times will be as follows:

Friday 8:00 a.m. to 6:00 p.m.

Saturday 6:00 a.m. to 10:00 a.m.

Saturday 6:00 a.m. to 9:00 a.m.

Entry to the fairgrounds for vendor set up on Friday and Saturday will be through the center entrance only.

Entry to the fairgrounds for vendor set up on Sunday will be through the south entrance only.

Exiting the fairgrounds will be through the north entrance only.

Once the show begins on Saturday it will be extremely difficult, if not impossible to seat vendors in the swap area. Please arrive at the fairgrounds for swap spot seating during the allotted times to avoid seating issues.

Make all checks payable to: Morris Lions Club.

Please return both your check and registration form to:

Lion Jeff Hanford
Morris Lions Club
2255 North Dwight Road
Morris, IL 60450

See you at the show!
