

August 15, 2020

The 2020 Morris Lions Club Fall Classic Car Show and Swap Meet is currently scheduled to take place. It may only be cancelled by the action of the state or county government.

ALL SWAP VENDORS ARE REQUIRED TO WEAR A MASK, BRING YOUR OWN HAND SANITIZER FOR SPECTATOR USE, AND PRACTICE SOCIAL DISTANCING.

The 2020 Lions Club Fall Classic Car Show and Swap Meet will once again be a two-day event at the Grundy County Fairgrounds. The first day, Saturday, Oct. 10, 2020, will be exclusively a swap meet and car corral. Sunday October 11, 2020 will be the classic car show including a continuation of the swap meet and car corral. We invite you to participate in our event for both days. As it was for the last two years, the cost for each 20'X20' space will be \$25.00, if pre-registered by September 26, 2020. The one-time \$25.00 payment will secure your spot for both days. There are no additional charges. **The space cost is for the entire show, not per day.** After September 26, 2020 each 20'X20' space will be \$50.00.

We will have two swap areas for this year's show, which will create nearly 700 swap spaces. One of the swap areas will be outside the fairgrounds main gate on grass this year located north of the center entrance. The second swap area will be inside the fairgrounds gate on gravel, which will also include indoor swap spaces in a commercial building as it has been for the last two years.

Outside Swap Area

The largest swap area will be in the grass between the center and north entrances on the north section of the fairgrounds, bordered on the west by IL RT 47 and the Car Corral Area on the east. This area is called the OUTSIDE SWAP. There will be approximately 580 spaces in this area.

Inside Swap Area

The other swap area is in the gravel area inside the main gate of fairgrounds itself directly to the south of the speedway. This is called the INSIDE SWAP. There will be approximately 120 spaces in this area.

Indoor Swap Availability

In addition, the INSIDE SWAP has the availability of indoor spaces in the commercial building, located just inside the main gate of the fairgrounds. These spaces will be sold on a first come first served basis. The cost for each 8'x16' indoor space will be \$50.00. After September 26, 2020 each 8'x16' space will be \$75.00. Each of the indoor spaces has electrical power available. Use of the electrical power may require an additional fee paid to the fairgrounds directly. There will be approximately 30 spaces available within the commercial building.

The swap areas have sold out frequently in the past. Last year's swappers are guaranteed space if pre-registered by the September 26, 2020 deadline. If you wish to have more space, or have a special circumstance (end space, etc.), please make sure to write your request on the back of your swap registration form, and submit it with payment by the September 26, 2020 pre-registration deadline to maximize availability, and avoid the increased costs of spaces after the deadline. Final swap space seating is at the discretion of the swap chairman. Confirmation and entry cards will be mailed out to each participant after the September 26, 2020 pre-registration deadline.

(OVER)

Please note that checks and money orders, used as payment for swap spaces will not be cashed until your confirmation and entry cards have been mailed to you after September 26, 2020.

Also, in the event the state or county government were to take action that would cancel the show prior to September 26, 2020, no checks or money orders will be cashed. In this circumstance, uncashed checks will be destroyed, and money orders will be returned to the sender. Additionally, in the event of a cancellation after September 26, 2020, all swap space payments will be refunded.

If you are paying for space for other people, please list each name on the pre-registration form. This will speed up the registration process. All cards will be sent to the person making the reservation. The person making the reservation will be responsible for getting the cards to the other participants.

Please display an entry card on the dashboard, front windshield, or visor of your vehicle when entering, or at anytime you are on the fairgrounds. This will expedite getting to your swap space and serve as authorization to be in the swap area. In order to maximize the space available, we are asking that there not be more than one vehicle per space. If you have more than one vehicle, please park the additional vehicle(s) in the Vendor Parking Area located in the racetrack pit area at the northeast corner of the fairgrounds property.

I am enclosing a pre-registration form, fairgrounds map, and directions for your use.

Swap vendor set up times will be as follows:

Friday 8:00 a.m. to 6:00 p.m.

Saturday 6:00 a.m. to 10:00 a.m.

Entry to the fairgrounds for swap vendor set up on Friday, Saturday, and Sunday will be through the center entrance only.

Exiting the fairgrounds will be through the north entrance only.

Once the show begins on Saturday it will be extremely difficult, if not impossible to seat vendors in the swap area. Please arrive at the fairgrounds for swap spot seating during the allotted times to avoid seating issues.

Make all checks payable, and money orders to: Morris Lions Club.

Please return both your check and registration form to:
